LANGUAGE EXPRESS PRESCHOOL SPEECH AND LANGUAGE PROGRAM

Language Express provides free speech and language assessment and therapy services for children from birth until school entry in Lanark, Leeds, and Grenville Counties.

If you have concerns about your child's speech and language, don't wait and see! We can help:

- If your child is not meeting all of the communication milestones for their age. Go to www.language-express.ca to complete the Language Express Communications Checkup.
- If your child is stuttering.
- If your child's play or social interaction seems different from other children the same age.
- If your child's voice doesn't sound right.
- If your child has a diagnosis, such as: hearing loss, Autism Spectrum Disorder, or developmental delay.

Language Express accepts referrals for children from birth until September 1 of the year they turn 4. For example, children born in 2020 must be referred by September 1, 2024. Visit our [milestones page](#) or complete the Language Express [Communication Checkup](#) to see if your child's development is on track and to make a referral. You can also call us at 1-888-503-8885 for more information or to make a referral.

SMARTSTART HUBS

Wondering where to turn with concerns regarding your child's development? SmartStart Hubs are located in every region of the province and they provide the following:

- a clear point of entry to child development services for parents and caregivers who have concerns about the child's development.
- a one-stop point of entry for families who have concerns about their child's development and would like to explore available options and supports.
- connect families with child development agencies and professionals, giving them seamless connections to assessments and services in a family-friendly environment.
- for eligible children birth to age 19, or 21 if they are in school and live in Ontario (they do not need a diagnosis if you don't have one).

Families are also encouraged to use the Early Years Check-In tool to quickly identify any concerns they may have about how their child is developing by visiting <https://eyci.healthhq.ca>.

ONTARIO'S ENHANCED 18 MONTH WELL BABY VISIT

18 months is a critical time in a child's development and a visit to a health care provider at this time is important. Ontario offers a longer, more in depth visit with your health care provider at 18-months, as it is the last in a series of scheduled health care visits prior to a child starting school. During the visit with a health care provider, parents will have an opportunity to discuss their child's growth and development and ask questions they may have regarding healthy child development. For more information, call the Leeds, Grenville and Lanark District Health Unit at 1-800-660-5853 visit www.18monthvisit.ca or <https://healthunit.org/health-information/babies-children/healthy-growth-development/>

HEALTHY BABIES, HEALTHY CHILDREN

A free program that provides home visits by public health nurses and home visitors to pregnant women and families with children who have not yet started school. Home visits help you learn about:

- Having a healthy pregnancy and birth.
- Connecting with your child(ren).
- How children grow and develop as well as what you can do to help.
- Being a parent.
- Breastfeeding, food and healthy nutrition.
- Taking care of yourself and your family.
- Other services available to you and your child in your community.

There is no cost to you for the program and your participation is voluntary. For more information, call Leeds, Grenville and Lanark District Health Unit at 1-800-660-5853, extension 2467 or use the QR code.

FIRST YEAR, FIRST VISIT

The Canadian Dental Association encourages the assessment of infants by the dentist, within 6 months of the eruption of the first tooth or by 12 months of age. Prior to the first visit with the dentist, a health unit dental hygienist can provide and demonstrate oral care techniques for infants and young children. If it is a financial hardship for the family to cover the cost of the first visit to the dentist, the dental hygienist may also provide screening to determine eligibility for coverage under the Healthy Smiles Ontario program. The visit with the health unit dental hygienist does not replace an exam with the dentist, but does support the recommendation for collaboration between dental and health care providers to promote oral health. Free. For more information, contact Leeds, Grenville and Lanark District Health Unit at 1-800-660-5853, extension 2456 or visit www.healthunit.org.

FLUORIDE VARNISH PROGRAM

The Oral Health Program of the Leeds, Grenville and Lanark District Health Unit supports the evidence that applying fluoride varnish is a safe and effective part of a cavity prevention program. Please check with your dental provider to find out how fluoride varnish can benefit your child. Free to children who meet eligibility criteria. For more information, contact the Leeds, Grenville and Lanark District Health Unit at 1-800-660-5853, extension 2456 or visit www.healthunit.org.
