Resident Services

Assistive Devices Inspection

Mobility Care invites residents to participate with an in house complimentary assistive devices equipment inspection, on February 15, 2019 The clinic will run from 8:00 am to 2:00 pm on Brookside. If repairs are required, the POA or Substitute Decision Maker (SDM) will be contacted with recommendations and a quote. The vendor choice is at the discretion of the POA or SDM.

Nursing Restorative

The aging process may lead to the loss of ability to perform simple tasks. A recent audit on the program was completed to evaluate areas that assist residents with improvement in Activities of Daily Living (ADL's), such as self care tasks. The teams mission and passion is to ensure our residents retain their desired level of independence.

Behavioural Support Ontario (BSO)

MVL is continuing education for staff including sensitivity training and information sessions on different types of dementia, how it is exhibited and ways to help individuals. SE LHIN is also offering education sessions for BSO teams.
