### United Counties of Leeds and Grenville Launches GIS GeoHub

The United Counties of Leeds and Grenville is excited to officially launch the Leeds Grenville GeoHub, a Geographic Information Systems (GIS) data portal.

The new GeoHub can be found by visiting:

<https://www.leedsgrenville.com/en/services/maps-and-gis.aspx>

The GeoHub features a number of interactive web mapping applications as well as static pdf maps that can be downloaded and printed. The site includes open GIS data that is made readily available to the public, free of charge for anyone to use for any purpose with few restrictions.

Interactive maps on the GeoHub include the Public Map Viewer, Subdivision Tracker, Historic Topographic Maps, Leeds Grenville Traffic Counts on County Roads, and more.

For more information on the Leeds Grenville GeoHub, please contact [gis@uclg.on.ca](mailto:gis@uclg.on.ca).
