## READY TO LIFT US UP?

This lift technology is designed to lift and transfer residents from one place to another safely (for the benefit of both residents and staff). For example, moving a resident from their bed to bath, or from a chair to a stretcher.

## GIVE OUR RESIDENTS A LIFT!

### \$3,500.00

Your \$3,500 Gift of a Lift to the Maple View Landings Redevelopment Fundraising Campaign will ensure every room at the G. Tackaberry & Family Home in Athens has a tracking system for patient lift (hoist) equipment.

### \$5,000.00

The \$5,000 donation gives you the opportunity to have your name, your family's name or In memory of a Loved one, on a plaque on an individual room in the new 192-bed home. The donation is 100% tax deductible.
