Growth Management Strategy - Local Area Consultation Meetings

- How much the Counties is forecasted to grow over the next 25 years?
- Where this growth is forecasted to happen?
- What land use policies need to be added/updated to manage growth?

Please join Counties staff and our consulting team from Hemson Consulting to learn about and provide feedback on the Counties Growth Management Strategy. **This strategy will provide a basis for the update of the Counties Official Plan to be started in 2026.**

Meetings are being held across the Counties and you are welcome to attend any location. Pre-registration would be appreciated to help us better serve you.
