

**United Counties of Leeds and Grenville
Notice of Project and On-line Public Information Centre
Municipal Class Environmental Assessment
North Augusta Storm Sewer Replacement / Extension**

The United Counties of Leeds and Grenville (UCLG) has retained Ainley Group to complete detail design activities and to undertake the Municipal Class Environmental Assessment (MCEA) process for storm sewer replacement and extension within sections of County Road 6 and County Road 15 in North Augusta. The project limits are identified as County Road 6 from 0.2 km south of County Road 15 to County Road 15 and County Road 15 from 0.16 km north of County Road 6 to 0.13 km south of County Road 6. The location is shown on the provided key map.

County Road 6 and County Road 15 within North Augusta are urban residential roads. The project undertaking includes the replacement and / or extension of storm sewers including storm sewer outlet relocation within the project limits.

The project is following a pre-approved planning process for a Schedule 'A+' undertaking in accordance with the Municipal Class Environmental Assessment document (MCEA), which applies to municipal infrastructure projects including roads, bridges, water, and wastewater projects. Schedule 'A+' projects are pre-approved under the MCEA and may proceed to construction, pending funding and agency approvals.

Public and agency consultation is an important component of the MCEA process. An **On-line Public Information Centre (PIC)** is being held to provide additional information and answer questions regarding the project. The PIC will follow an 'on-line' format with material posted and available for viewing and comment from **January 25, 2021 until February 16, 2021** on the UCLG website at <https://www.leedsgrenville.com>. Comments received will be reviewed and responded to when appropriate.

You are encouraged to contact the United Counties of Leeds and Grenville or the Project Consultant by February 16, 2021 if you require additional information regarding this project. If you require additional information please contact the following.
