

## Types of Housing in the United Counties of Leeds and Grenville

### Affordable Housing

Affordable housing is not rent-geared-to-income; however, you must be eligible for rent-geared-to-income assistance to qualify for affordable housing units. Household income limits for rent-geared-to-income units do not apply to affordable housing. Rent for affordable housing units is approximately 80% of average market rent as published annually by the Canada Mortgage and Housing Corporation (CMHC).

Affordable housing is available in Elgin, Prescott, and Oxford Mills. To apply for affordable housing units, complete an Application for Subsidized Housing, and submit it to the Social Housing Registry.

### Market Rent Housing

Market rent housing refers to units with rent at the low end of private market rents and is provided by some non-profit housing providers.

Apply directly to the non-profit/co-operative housing corporation for a market rent unit.

### Rent-Geared-To-Income (RGI) Housing

- **Public housing** – The United Counties of Leeds and Grenville (the Counties) owns and maintains the public housing portfolio. Public housing consists of 667 rent-geared-to-income units – 488 apartment units in 15 multi-residential buildings throughout Leeds Grenville, and 179 family units in Brockville and Prescott. All public housing units are designated smoke free.
- **Non-profit housing** – Owned and maintained by a non-profit corporation and managed by a volunteer Board of Directors. Some non-profit housing units are designated smoke free.
- **Rent supplement housing** – Rent-geared-to-income units provided by private landlords through an agreement with the Counties. A rent supplement subsidy is paid directly to the landlord by the Counties. The rent supplement subsidy is equal to the difference between the full monthly rent for the unit and the geared-to-income rent payable by the tenant.
- **Co-operative housing** – Requires membership and participation in managing, governing and maintaining the co-operative.

Apply to the Social Housing Registry or directly to the housing provider. The housing provider will forward your application to the Social Housing Registry.

Waitlists for the following non-profit providers are managed by the housing administrator; apply directly to the non-profit housing administrator:

- Athens and District Housing Corp.
- Marguerita Residence Corporation <http://www.margueritarresidence.ca>
- Gananoque Housing Inc.

*For additional information about each building and location, refer to the Social Housing Brochure available at [www.leedsgrenville.com](http://www.leedsgrenville.com) or at any Community and Social Services office.*

 Determination that the household is overhoused

1. Indicate the number of bedrooms required for your household. Occupancy standards state that spouses are expected to share a bedroom, and another bedroom can be provided for each additional member of the household; however, you may choose fewer bedrooms if two members of the same gender who have a difference in age of five years or less share a bedroom. For example, a household with two boys aged 10 and 13 are eligible for a 3-bedroom unit, but could choose a 2-bedroom if preferred. If a 2-bedroom is selected, the two boys would be required to share a bedroom.

**Number of Bedrooms:**

Bachelor     1 bedroom     2 bedroom     3 bedroom     4 bedroom

**Public Housing - Adult Units**

**Smoke-Free** All public housing units are owned and administered by the United Counties of Leeds and Grenville, Community and Social Services Division – Housing Department and are designated smoke-free. Note that multi-residential buildings are still transitioning, and the Counties cannot guarantee that the building will be 100% smoke-free, or that the unit offered was not previously smoked in.
